LEACONNER

LEACONNER

Since Lea Conner have started it's journey, It's been bringing the best selection of products and merchandise to customers. Our name has become recognized with quality throughout the entire Southern California. We do our best to ensure a permanent variety of fantastic items along with unique limited edition and seasonal items.

As independent watch brand, we have dedicated the past years in creating our unique design. Our incredible time-piece possess three elements: Style, Artistry and Functionality.

We turn back the clock and bring fashion into our modern design. Our watches perfectly suit every style. Good time-piece comes and goes but the extraordinary one will last forever.

Cherish your flame,
hold it as a torch to light your way.

Experience and reputation

With more than 30 years of experience through watch industry, our continued purpose have always been to raise the levels of knowledge, expertise and functionality in the process of making and selling quality watches. Our team's prospect had always been worldwide, therefore all the aspects of the brand are chosen to serve this purpose.

LEACONNER

Innovation and creativity

Leaconner's team is now able to produce all varieties of watches with the highest quality level there is; thanks to the work of our fine experts in product design and process, utilizing world standards, ergonomics, product psychology (understanding consumer behavior), market demand analysis and last but not least using the latest technology in years of experience.
